10 Outlook in the European Satellite (Due to the changing character of the estimates for Planning Nos. 10 and 11 and the expected nature of the estimates for Planning Nos. 12, 13 and 14, A/R does not need detailed estimates from the branches on these five projects with the exception of contributions from A/R, M/AG, I/CI, S/CI and S/TP. The other branches would be expected to contribute a page or two of significant data in their respective fields.)
